Bible reading John 4:5–42

Come and see THIS WEEK WE EXPLORE ASTONISHING ACCEPTANCE. People take a variety of meanings from this Gospel passage. Everyone agrees that Jesus was breaking convention, speaking with a Samaritan woman. What does it mean to us today, to accept and be accepted and to drink from the well of living water?

First impressions

- When or where have you seen acceptance like this?
- What do you need to accept about yourself?
- What can you do to make sure everyone feels included?

A prayer for refreshment

Lord God, sometimes we are so tired after a busy week. Our minds, bodies and souls aching for refreshment. Jesus came to the well tired from his journey. He sought not only to receive refreshment but to give spiritual comfort. Lord God, we too want to receive. And to give. We offer ourselves to you so you can do your mighty work in us. Amen.
