Bible reading Matthew 13:24–30,36–43 Grow where you are planted THIS WEEK WE EXPLORE TRUSTING GOD IN ALL CIRCUMSTANCES. Jesus gives us another seed-related story to help us think about the difficulties and struggles we endure while seeking to live as God intends us to. Through it we have our gaze lifted to contemplate God's power and reminded that God is worthy of our trust.

First impressions

- Where are you planted right now?
- And how are you growing?
- What does it mean to you to trust God in everyday life?

A prayer of adoration

Almighty God, all-seeing and all-knowing, with confidence we accept your power and authority, knowing that we can always trust in your judgement; for your loving nature pervades creation, and all shall be well – all shall be well. Amen.

Pray

Draw a line down the middle of a sheet of paper. Top left, write, 'Blessed this week by...', and top right, write, 'Struggled this week with...'. As the week progresses, add things that happen in your life (to you or around you, or further afield) to the appropriate column. Use the sheet as a focus for daily prayer, and when it is full, look back a week (or more) of blessing.
