Isaiah 40:21–31 *You are not forgotten by God* The prophet contrasts the grandeur and eternity of God to that of even the mightiest of humans. There is no comparison. No human could ever create the universe of all that is in it. No one could know every single element and creature and person in the universe, as God does. And God will strengthen and uphold his people for whatever they will face.

First impressions

- Why are bees so important to human survival?
- How can we make sure no one feels insignificant and forgotten?
- What helps you to know you are known and loved by God?

Pray

A prayer for all ages

Creator God, you count all the stars, not one of them is missing from your love. Thank you that we are all remembered by you, and that no one misses out on your loving care. Amen.
