### 1 Kings 2:10–12; 3:3–14 *Receiving wisdom as a gift*

David's 40-year reign comes to an end, and he is succeeded by his son Solomon. The new king goes to worship at the most prominent 'high place', where God appears to him in a dream and asks him what gift he would like. Solomon chooses an 'understanding mind' to help him govern as wisely as his father. God, pleased by this request, grants him this and more

## First impressions

- If you had three wishes, what would they be?
- Who is the wisest person you know? What do you admire about them?
- How can you help those around you grow in wisdom?

### A sending out prayer

King of kings, you have all the wisdom, the glory and the majesty. Continue to give us your gift of wisdom each day so that we might serve you in all that we do. Amen.
