James 2:1–10,(11–13),14–17 *Favouritism forbidden*

James continues his letter by giving a vivid example of people being treated differently in the worshipping community, with the rich and important being favoured over the poor and needy. He is stark in his declaration that showing partiality in this way falls short of God's standards. This passage also contains his famous pronouncement that faith without works is dead.

First impressions

- What kinds of people do you tend to ignore?
- Is your head ever turned by riches or beauty?
- What one thing could you do today to 'love your neighbour as yourself'?

A prayer for all ages together.

Lord Jesus Christ, we pray for faith in you, love for others and equality in the world. Help us work to show your glory. Amen

Write

Compile a list of 10 possessions that you treasure. In what circumstances would you give them to someone else and which would you find most difficult to give up? Give thanks for the things and people God has given you.

Action for Children Appeal:

The AFC reps are planning to hold an Autumn coffee morning with gift stalls on Saturday 19th October at Dudley Wood.

We are on the lookout for donations of small tombola prizes and bottles for 2 of our stalls (obviously no alcohol) and cake makers nearer to the date.

If you can help with any of these requests, we would be very grateful.

Claire and the AFC team.
